Event planning by the experts of Urban Sound

We have suggestions of impressive in-church scenarios for your wedding ceremony,

For a truly spectacular and unforgettable entrance with fireworks, projectors, lighting and special effects by Urban Sound professionals.

1st SCENARIO

...the bride starts walking down the aisle, passing through 2 tasteful lanterns that hide within them 2 ground firework fountains and light up to 4m high for a 60 sec duration. In the middle of the aisle, she passes through 2 more sparkle fountains and, at the end of the aisle, arriving by the groom, 2 small "canons" that shoot out natural rose petals and fluffy feathers, completing a fantastic bridal entrance.

- *Fireworks are remotely operated, while the lanterns placed along the aisle are white and decorated with gauze in the colour of your wedding color theme.*

Economy package: 290€

2nd SCENARIO

...all along the aisle, as the bride walks towards the groom, 10 small "canons" shoot natural rose petals and fluffy feathers at 10m high, firing in pairs on each side of the aisle to match the bride's pace, giving a dreamy, fairy-tale feeling to the bridal entrance.

- *The process is controlled remotely.*
